

SOFTWARE ENGINEERING PROJECT:

WEEKLY REPORT

By: Marcio Aloisio Bezerra Cavalcanti Rockenbach

Professor: Dr. Yohan Fougerolle, Dr. Cansen Jiang, Dr. David Strubel

December 17, 2017

I. EXAMS WEEK

In this next week, we will have exams for almost all of our classes. Because of this, in this week I had to focus on studying for all these tests. After the end of exams, I will be able to dedicate much more time to the project.
